## Quilt Top Pattern Catalog

Simple to Sew: No angles, curves or diagonal piecing required. Only ONE size of square needed: Square size determines the finished quilt size.

6 separate pattern/color/shade examples to help you to choose your own fabric colors/shades to get the look you want.

All patterns have at least 6 pattern sizes... most have many more sizes.

Detailed Square By Square And Row By Row Instructions: each square identified by both color and letter code that matches the container labels.

Detailed Instructions, Fabric Measurements for All Quilt Sizes, and Printable Row Labels and Fabric Container Labels.
